Fillet of sole (Tasteless and overpriced, just like the MPs in the House of commons)

Lack of empathy pie with a selection of downright nastiness and incompetence, in a clear and pointless gravy(Very similar to the shi# all claimants endure during Atos assessments)

Spotted prick

Costly Assessment crumble

An assortment of piss taking and basically humiliating the disabled community(Very popular at last years awards)

There will be a speech by the Head of the British Eugenics society to say a big thanks to Atos & The DWP

And finally there will be a display of the national disabled Morris dancing team, (Last year was a huge laugh, we can't wait to see them again?)
